

38-component uniform interpolation spline

93-component non-uniform interpolation spline

Correcting and extrapolating derivatives

Extrapolating upper and bottom function values

Spline with forecasting

Smoothing with a 21-component non-uniform interpolation spline

Smoothing with a 3-component non-uniform interpolation spline

Smoothing with a 3-component non-uniform interpolation spline

Smoothing with a 13-component non-uniform interpolation spline

4-component non-uniform interpolation spline

3-component non-uniform interpolation spline

Smoothing with a 19-component uniform interpolation spline

3-component uniform interpolation spline

Correcting and extrapolating derivatives

Extrapolating upper and bottom function values

Spline with forecasting
