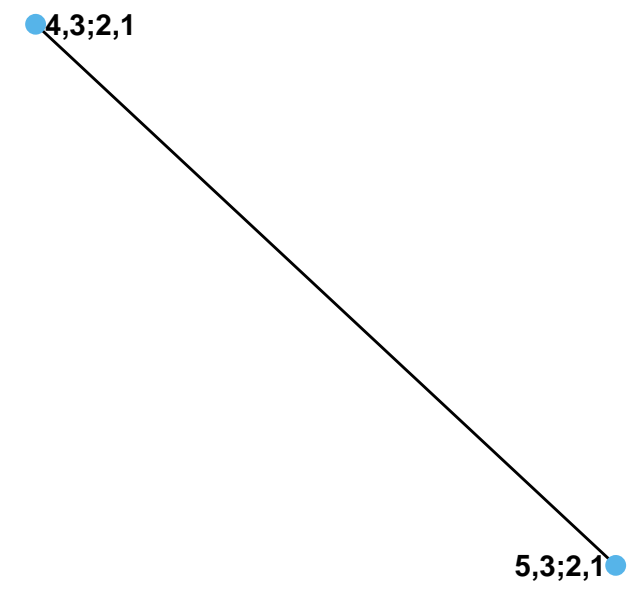

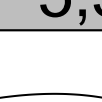

Diagram illustrating a square with a quarter-circle arc in the bottom-left corner. The top edge is labeled with the sequence 5,4;3,2,1.

5,3;2,1

A square with a quarter-circle arc drawn from the left side to the bottom side. The arc starts at the midpoint of the left side and ends at the midpoint of the bottom side, curving outwards towards the top-right corner.

4,3;2,1

5,2;1

4,2;1

3,2;1

A diagram of a square. The top portion is shaded gray and contains the text "4,1". The bottom portion is white and contains a curved line that starts at the left edge and ends at the right edge, forming a shape similar to a bowl or a wide 'U'.

A diagram showing a quarter-circle sector of a circle. The radius is labeled as 3, and the central angle is labeled as 1. The sector is shaded gray.

A square with a quarter-circle arc in the bottom-left corner. The top-left corner is shaded gray and labeled "2,1".
